**OFFICE OF PETITIONS**

Sir:

This is in response to the decision on petition mailed August 15, 2006 in connection with the above-identified application. The period for response to this decision has been extended to expire on November 15, 2006, by the filing herewith of a Petition for a one-month extension of time and payment of the required fee.

As noted in the decision of August 15, 2006 the petitioner has complied with all requirements of a grantable petition except that the petition lacks (1) the required reply. Petitioner submits herewith the required sequence listing and computer readable form in accordance with the rules and as confirmed with the patent office by submitting an e-mail version for review which was found acceptable. The sequence listing information recorded in the computer readable form submitted herewith is identical to the written sequence listing also submitted herewith. No new matter has been introduced.

Also submitted herewith is an amendment to the specification at page 10 making further necessary corrections.

**RENEWED PETITION  
SERIAL NO. 09/470,997**

Petitioner additionally wishes to note that no objection has been made to originally sequences 18-20 but these sequences also contain the objectionable feature. Therefore, the original sequences 18-20 have been expanded as is believed that these should have been objected to and is now believed that the reply is complete, the petition should be granted and the application forwarded to the Examiner for an examination on the merits.

For the reason of record and the submissions herewith, it is most respectfully submitted that all of the requirements for the granting of the petition have been met.

The undersigned attorney hereby states that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR §1.137(b) was unintentional.

The Commissioner is hereby authorized to charge any fees necessary for this petition under 37 CFR 1.137(b) to Deposit Account No. 02-0200.

Respectfully submitted,

BACON & THOMAS, PLLC
